MARCONI LAUDS Mr. Voter Be Sure DESPONDENT MAN GREAT PROGRESS and Vote Today

This is primary election day and every good citizen should exercise the use of his or her ballot. It is to be hoped that those nominated for the respective offices on both the republican and democratic tickets will be representative of the best interests of the state, county and town. Every voter owes a duty to himself to cast a ballot that the best men and women may be selected as candidates for office in state, county and town. Make it your duty to vote before the polls close tonight.
